

How to book sports packages for schools

Sporting Schools is a \$160 million Australian Government initiative designed to help schools to increase children's participation in sport, and to connect them with community sporting opportunities. The Australian Sports Commission (ASC) has partnered with national sporting organisations (NSOs) to deliver sport before, during and after school hours.

To get started, complete the following steps to access the Sporting Schools online Booking System.

1

APPROVED FUNDING

Schools with approved funding for the current term can book a sport package. More information on what is a [sports package](#) can be found on our help centre.

2

BROWSE SPORT PACKAGES

View details of sport packages on offer via the [Sporting Schools Booking System](#). Once you have found a sports package that meets your needs, make a booking by clicking APPLY.

A summary of NSO sport packages and resources available can also be found on each of our NSO partner [sports pages](#).

3

MAKE A BOOKING

Bookings are made via the [Sporting Schools Booking System](#). After clicking APPLY, submit your booking request by completing your booking details in the form. Use the *additional information* section to provide further information e.g. requesting a particular coach.

More information on [how to book a sport package](#) can be found on our help centre.

4

BOOKING CONFIRMATION

NSOs, or their nominated coaching provider, will contact you regarding the outcome of your booking request. If your booking is confirmed, you will be provided with delivery details such as the coach name and contact details.

If your booking request is declined, you can select another sport or sport package by submitting a new booking request.

PROGRAM DELIVERY

It's time to get your students active!
