REFEREE ACCREDITATION STANDARDS

1 INTRODUCTION

This Standard is an attachment to the Lacrosse Australia (LA) Men's National Technical Committee (MNTC) Officiating Policy. It is part of a formal officiating policy structure which includes standards for the training, assessment and selection of Australian lacrosse officials (referees, assessors and other officials).

2 AIM

To provide accreditation standards for all men's lacrosse referees in accordance with the requirements of the Australian Sports Commission National Officiating Accreditation Scheme.

3 APPLICATION

The primary application of this policy is the establishment of accreditation standards for referees of all trial, interclub, premierships, championships, tournament and international men's lacrosse matches as arranged or sanctioned by the LA.

These matches may be field lacrosse or box (indoor) lacrosse or other format, including modified junior rules. The MNTC is responsible for ensuring suitable training, testing and assessment tools are available for the applicable level of competition (refer to Attachment 'C').

This Standard must be read in conjunction with the MNTC Officiating Policy and other related MNTC officiating standards.

4 ADMINISTRATION

Any official may lodge a grievance against a failure to comply with the procedures of this standard to the LA Director, Officiating in accordance with the provisions of the MNTC Officiating Policy, paragraph 6–Grievance Procedures.

The MNTC will conduct performance reviews and complete an update of this Standard by 1 October every two years in accordance with the requirements of the Officiating Policy.
